<https://lchs.blackgold.ca>

Welcome to March, LCHS Families!

As the days finally start getting longer and we begin to see signs of spring, the energy in the hallways of Leduc Composite High School is shifting. March is traditionally one of the busiest and most crucial transition months of our school year, bridging the gap between the start of the second semester and the final stretch toward June.

Here are a few important updates and reminders as we move through the month:

Course Registration and Planning for Next Year

March is our primary month for looking ahead. Our Student Services team is working closely with students in all grades to ensure they are on track with their credits and prepared for next year's course selections. We highly encourage parents and guardians to have active conversations with their teens about their academic goals, interests, and potential career pathways to ensure they are selecting the right courses for their futures.

Connecting with Teachers

Open communication between home and school remains one of the biggest predictors of student success. As we settle into the middle of the semester, we look forward to connecting with many of you during our upcoming Parent-Teacher Interviews. This is a fantastic opportunity to meet with our dedicated teaching staff, celebrate your child's successes, and identify any areas for growth. Please keep a close eye on your inbox and our website for interview booking details.

Graduation 2026

To our Grade 12 families: the countdown is officially on! Please remember that all graduation requirements and list additions need to be finalized very soon. (As a quick reminder, the end of March is typically the absolute deadline to ensure your name is on the Grad List). If your senior is unsure about their status, or if you have any questions regarding grad fees or opting out, please have them connect with Student Services or administration immediately so we can get everything sorted out.

Looking Toward Spring Break

Finally, we know everyone is looking forward to a well-deserved rest. With Spring Break approaching at the end of the month, we want to encourage our students to keep pushing hard academically over these next few weeks so they can truly enjoy their time off.

Thank you to our amazing parents, guardians, and community members for your continued support of our LCHS community. Let's make it a fantastic March!

Richard Dechaine
Acting Principal, Leduc Composite High School

Important Dates this month

March 5th - LCHS School Council and Parent Association Meeting

Attention Parents/Guardians

If you do not have access to PowerSchool Parent Portal please email the school at [**lchs@blackgold.ca**](mailto:lchs@blackgold.ca). The Parent Portal allows you to view your students' attendance, marks, pay fees online, among other features. If you have an existing account, you can add additional students to the same account.

If you have moved, changed phone number(s), or have any changes to personal information, please email the school at [**lchs@blackgold.ca**](mailto:lchs@blackgold.ca). It is important that we have your most current information on file. Please note that any changes to address will require a proof of address (preferably a drivers licence)

If your student will be absent from school, please notify the office [**lchs@blackgold.ca**](mailto:lchs@blackgold.ca) or 780-986-2248.

School Fees

Please check your PowerSchool Parent Portal for any posted School Fees under "Student Fees & Forms". If you have any questions, please contact the school at 780-986-2248.

These fees are calculated based on enrollment and are utilized in full to support our students. They directly fund essential classroom supplies, field trips, and hands-on learning resources. Thank you for your prompt payment, which helps us maintain these high-quality programs.

Please note that any remaining unpaid fees will be forwarded to the BG Division Office for referral to a collections agency.

MYPASS ACCOUNT

PLEASE ENCOURAGE YOUR CHILDREN TO CREATE A MYPASS ACCOUNT. IT IS IMPORTANT FOR ALL HIGH SCHOOL STUDENTS TO HAVE A MYPASS ACCOUNT THROUGH ALBERTA EDUCATION.

The MyPass Account can be used to

- Access the student's DAR (detailed academic report) which includes their credit count and all of the high school courses they have taken with their final grades Access the student's credential report which includes all of the graduation requirements that are completed and incomplete
 - Students can choose between credentials for an Alberta High School Diploma or the credentials for a Certificate of High School Achievement (KAE certificate)
- Access the student's Diploma exam results (this is the ONLY way to see these results) Obtain a High School Transcript for themselves or to be mailed to a post-secondary institution.

BLACK GOLD SCHOOL DIVISION
Our Community • Your Children • The Future

LCHS Work Ex Program

The Black Gold Regional Division Off-Campus Education Program is all about students learning valuable work skills beyond the walls of their school. A company work site within their community becomes their 'classroom'.

The purpose of this program is to familiarize students with the world of work. Real-life resumes and interviews can help them land a quality job, while customized skill and safety training give students the opportunity to excel at their work site.

Students will also earn up to a maximum of 30 credits in Work Experience, 15 of which can be used towards their high school diploma. 25 hours of work equals 1 credit.

Mrs. St. John
Work Experience
780-986-2248
danielle.stjohn@blackgold.ca

Off- Campus Programs

Divide your time between:

- your school, to take courses such as English Language Arts, Mathematics, and Social Studies to meet the requirements of high school graduation, and
- an approved work site, for on-the-job training in a trade of your choice.

As you work, you will earn:

- at least minimum wage,
- up to 41 high school credits (40 RAP credits, plus 1 CTS safety credit), and
- on-the-job training hours toward an apprenticeship program.

After you complete high school,

- continue working in your trade to earn additional on-the-job hours required to complete the full apprenticeship education program in your trade,
- attend and pass in-class training at a post-secondary institution between and 6 and 12 weeks per year of the program, depending on the trade,
- pass the required exam at the end of each year of your program, and
- complete your apprenticeship program to earn your journey person certification and apprenticeship education credential.

Help plan your child's future with

myBlueprint

What is the myBlueprint Education Planner?

myBlueprint Education Planner is a student- friendly, interactive education and career/life planning tool that Black Gold junior high and high school students use to make the most informed decisions about their future.

myBlueprint allows students to visually plan towards graduation requirements while instantly discovering their eligibility for every post-secondary pathway in Canada, or compare information on apprenticeships, programs, and occupations to ensure they make better decisions and are more prepared for their futures after high school.

Students also learn the basics of financial literacy and money management, and discover what employers are looking for with job search tools tied directly to the student's occupations of interest.

As a parent/guardian, can I access myBlueprint Education Planner?

Yes! To explore the features of **myBlueprint**, you can create a Family Account and link to your child's account (requires student permission).

With direct access from home, you can get more informed and involved with your child's education, and support your child in making the most informed decisions about their future.

Why would I want access to myBlueprint Education Planner?

The family account allows you to view student artifacts and reflections, including the goals they are setting, careers they are interested in, and what they are learning in school.

You can log in to your account to comment on your child's work or receive messages from their teacher(s). Keep in mind that the Family Account has read-only access for linked student accounts – it does not allow you to complete activities or post to portfolios within the student's account.

To get started, please scan the QR code below:

How to use a QR code:

1. Open the camera on your phone
2. Point it at the code
3. Tap the link that appears

For assistance, contact Ms. Watters - hayley.watters@blackgold.ca

As we welcome the month of March, we begin to see signs of change all around us. With longer days and the promise of spring ahead, this season reminds us that growth often happens beneath the surface before it blossoms into something beautiful.

March is a wonderful time to refocus, set new goals, and continue striving for excellence. We encourage our students to stay motivated, work hard, and support one another as we move through this busy and exciting time of the school year. Every effort made today helps build a strong foundation for tomorrow.

To our families, thank you for your continued encouragement and involvement. Your partnership plays an important role in the success and well-being of our students.

May this month bring renewed energy, positivity, and a sense of purpose to our entire school community. We look forward to all the learning, growth, and opportunities March will bring!
