Course Selection Planning Sheet 2026-2027

NAME: _____

Students must complete course selections from *three* different sections:

- **Section 1** courses are *required* for graduation.
- **Section 2** courses are elective courses. You may choose courses which interest you or will benefit you as a life-long learner.
- **Section 3 (Second Choices)** Every effort will be made to fulfill all students' requests for elective courses. However, in some instances, this may not be possible because of class size or availability of resources. In that case, we will try to fit your alternate request for elective courses.
