

Grade 10 French Immersion Course Registration Form

2026/2027

Student's Name: _____
Last Name First Name

Current School Attending: _____

Students must choose courses from *four* different sections.

- Section 1 courses are *required* for graduation. You must choose one English class *and* each of the French Immersion courses in section 1. Please indicate the mark you received on your third quarter report card. Your grade 9 teacher will make a recommendation. If you are not following your teacher's recommendation, please speak to your teacher about that change and the reasons for it.
- Section 2 courses are option courses. You may choose courses which interest you or will benefit you as a life-long learner.
- Section 3 courses are option courses that are scheduled outside of the regular timetable, usually *during the lunch break or after school* two to three times per week all year. They are courses for which attendance is taken and credit is earned.
- Second Choices: We strive to meet the demand for requests from students for their first choice of options. However, when class sizes are large, or when there is a timetabling conflict, this may not be possible. In that case, we will use your second-choice list.

Section 1: *French Immersion Student course selection: check the following required courses.*
