  - a. Small gym - Floor installation happening right now.
  - b. Sci Lab - Getting permits
3. Registration/Timetabling
  - a. Mrs. Hamilton and Mr. Holbrow are working on the timetable. Mr. Dechaine has dropped by to help out as well.
4. Next Year. Discussions are underway as to what school will look like next year. We are planning for several different scenarios - hope for the best, plan for challenges. What exactly it looks like will depend on AHS regulations and Alberta Education directives. 3 possible scenarios:
  - a. Business as usual - a return to 'normal' schooling.
  - b. Continue with remote learning
  - c. A blended approach.
    - i. Many different approaches to this one. Ideas are being explored and suggestions are welcome - we need to take advantage of the collective wisdom.
5. Summer School
  - a. Many registrations. All remote delivery.
