CTS - AUTOMOTIVE AWARD RECIPIENTS

The Daryl King Memorial Award for Automotives & NAPA Tools Award for Mechanics 30

Awarded in memory of Daryl King, a LCHS student who was taken from us much too soon in a school related auto accident. He was good friends with the owner of Liquids in Motion and his father, Thomas King, was the safety officer with the company. Through this award, we also wish to honour the memory of David Fandruck, former LIM Shop Manager, brother and son. Also taken from us much too soon, David had a passion for mechanics and an ability to 'MacGyver' almost anything. The memory of Daryl and David and their love of mechanics lives on through this award, which is awarded to the Grade 12 student with the highest mark in Automotives.

CTS / FINE ARTS DRAMA AWARD RECIPIENTS

Drama 30 Award and LCHS Musical Theatre Award

Awarded to the student who exemplified outstanding work within the course as well as achieving the highest mark. Donated by BGSD.

Presented to: Gillian Clarke & Ben de Vries

I am extremely proud to have both Ben and Gill as co-winners of the Drama 30/Musical theatre award.

Ben de Vries - The drama musical theatre department was very fortunate to have Ben involved for the last three years. He is the youngest brother of some extremely talented siblings. Ben did the Legacy of his brothers proud. His talent was evident in every show that he was involved in, but more importantly the work ethic and the drive that was behind it was truly made him successful. His ability to work with others and lead by example definitely elevated our shows. Ben comes across as a very quiet low-key individual. However, the moment he stepped onto stage and the light would hit him, his talents would shine.

Gillian Clarke - Gill came into our program in her second semester of grade 11. From the moment she walked into the door I realized that Gill possessed something very special. Her focus to detail, and desire to make everything perfect, along with her innate talent was truly something to see. In that semester, Gill was awarded an outstanding acting award in the one act festival, and her play was selected to go to one act provincials. Last fall, Gill was a lead in our production of Newsies. I am confident in saying that she knew the show, characters, and songs better than I did. I was assured, that she could always get us onto the right track, every time I screwed up.
