Admin Corner:

Spring is here and the snow has melted.

The LCHS leadership team is working on the reconfiguration process, preparing us to welcome our grade 8 and 9 students next year. We are very excited about the opportunities this presents for reimagining the school. We will be sharing our plans as they are finalized.

Planning for Grad 2024 is well underway. Our Commencement Ceremony will be held at the Jubilee Auditorium the afternoon of May 25th. Our Parent Grad Committee has organized a Banquet event for that same evening.

We are finishing up High School course selection for next year. Classes will be assigned based on the number of requests and teacher availability. Right now, we anticipate over 900 students with our grade 8s and 9s added into the total. There will necessarily be some changes to our complementary offerings as a result.

The next Parent Council Meeting will be held on Wednesday, May 22nd, at 6:30 PM in the LCHS Staff Room. Join the meeting and support your parent council.

Sincerely,

Brad Clarke

LCHS Locked Door Policy

In order to improve safety and security in schools, and in response to the changes in our society, Black Gold has officially announced a "Locked Door" initiative in all Division schools. The safety of our students and staff is of paramount importance at LCHS and compliance with this initiative began in spring of 2023. This video-monitored intercom entry system will allow office personnel to determine who is at the door and admit arrivals without having to leave the front desk. This new procedure both allows staff to know who is in the building and impedes trespassers from entering the premises. With the technical challenges now worked out, LCHS will begin **full implementation the week of September 11, 2023**. This will make LCHS consistent with other BGSD schools

LCHS will implement its Locked Door Policy in the following way:

- All school exterior doors will be locked during instructional times and students will need School-Issued Photo ID in order to enter the building.
 - Soft Implementation - September 11 & 12.
Students will be admitted to the school and reminded that they will need the ID cards later in the week.
 - Final Implementation - September 13 and beyond.
Students will be required to show their ID to enter the school
- There are video-monitored systems installed at our two designated main entrances. Those main entrances are the **front entrance (Cafeteria)** and the **back entrance (Cosmetology)** adjacent to the parking lot. Students must enter the building using one of the two designated entrances.
- Students must press the intercom and show photo ID to the camera to identify themselves. The office will verify their ID and then admit them into the building.
- The two main entrances will be unlocked during non-instructional times.
- Parents/caregivers, school visitors, and other guests, must use the front door video-monitored intercom entry system. Our office staff will communicate with visitors and grant access if appropriate.
- Food delivery services will not be permitted into the building.

Regarding ID Cards:

- Students are provided with an ID card by the school. If a student has lost their card, a new card will be issued and a replacement fee charged.
- Our new school photo service will be providing us with digital ID cards that students can keep on their phone. More information will be provided when the digital cards are ready.

Students are prohibited from:

...continued

- allowing other students (or visitors) in the building without permission.
- propping open exterior doors

Students who violate these rules will receive a disciplinary consequence.

Classes that are outside for instruction:

- As the class is entering as a group, the teacher will need to fob their class in.
- If a student becomes separated from their class, they will need to enter using one of the two principal entrances when returning to the building.

Due to safety concerns, students are subject to school disciplinary action if they violate the conditions of this policy.

Hey LCHS

Did you know that Leduc Composite High School is operating the most successful Green Certificate Program in the province?

What is the Green Certificate Program?

It is an apprenticeship style training program serving the agriculture industry.

How does it work?

Alberta Agriculture and Forestry (AAF) works in partnership with the agriculture industry and Alberta Education (via the off campus education policy) to offer the Green Certificate Program to all Albertans. Trainees select a specialization and under the guidance of their trainer, work towards mastering all of the skills within their training program.

What is in it for me, as a high school student?

- Earn 16 grade twelve diploma credits per specialization completed
- Have fun learning more about agriculture in a practical, hands-on environment.
- Increase your knowledge and skill level and gain valuable work experience
- Reach further educational goals; many post-secondary agricultural institutions and scholarship programs look favorably upon Green Certificate involvement
- Explore career options in the agriculture industry
- Earn recognition for what you can already do on the farm
- Learn more about crops or animals, agriculture, machinery and farming operations
- Include the experience and training on your resume and add the certificate of completion to your portfolio.
